REF: SUBJECT: Kudo in The World Games 2013 Cali

Best Regards,

Master Azuma, respectfully I am writing to you to inform you that in a recent meeting held here in Colombia with Mr. Joachim Gossow, he told me that KUDO would participate as a demonstrative sport in The World Games 2013 Cali, leaving the organizing committee doing the adjustments of inclusion and logistics for the development of the event, and in order to give the semblance of legality and seriousness to this decision a meeting will be carried out here in Colombia in the month of September with Mr. Ron Froehlich and Mr. Joachim Gossow, where a minute will formalize the inclusion of the sports that will participate as demonstrative, as the KUDO.

I think dear Master, that a big step has been taken for the sport that you have created, and I want you to remember my unconditional support, as it seems good times are coming for the KUDO.

Kindly,

**José Luis Echeverry Azcarate**

**Sport Director**
